1. INVITATION FOR QUOTATION

The Central Arecanut & Cocoa Marketing and Processing Co-operative Limited (The CAMPCO Ltd.), a Multi-State Co-operative Society, invites sealed/electronic quotations from eligible and experienced **Power Generators / Power Traders / Electricity Suppliers / Independent Power Producers (IPP), Solar / Wind Developers** for supply of electrical energy to its eligible electricity consumption points under the **Open Access mechanism**, in accordance with the applicable provisions of the Electricity Act, 2003, CERC/SERC regulations, State Grid Code, applicable Open Access Regulations, and other prevailing rules and regulations.

The procurement shall be made for the CAMPCO LTD's identified electricity consumption facilities through the applicable Open Access mechanism.

2. SCOPE OF SUPPLY

The successful bidder shall be responsible for arranging and supplying the contracted quantum of electrical energy through the Open Access mechanism to the designated the CAMPCO LTD consumption points.

The scope shall include, but not be limited to:

1. Arrangement and supply of contracted electrical energy.
2. Scheduling and coordination with the concerned Load Despatch Centre/SLDC/RLDC/DISCOM, as applicable.
3. Obtaining and maintaining all necessary approvals, permissions and Open Access clearances required from the competent authorities.
4. All agreements, Liaisoning works and other clearance from concerned department.
5. Coordination with the Distribution Licensee and other statutory/regulatory authorities.
6. Compliance with applicable transmission, wheeling, scheduling, deviation settlement and other regulatory requirements.
7. Providing necessary energy schedules, transaction statements and monthly energy accounts.
8. Providing all documents and information required by the CAMPCO LTD for verification and reconciliation of energy supplied.
9. Settlement of deviations and other charges attributable to the supplier, wherever applicable under the agreed commercial terms.
10. Any other activity necessary for successful delivery of contracted power under the Open Access mechanism.

3. DETAILS OF REQUIREMENT

The bidder shall quote for supply of electricity based on the following indicative requirement:

Particulars	**Requirement**
Consumer/Organisation	The CAMPCO LTD.
Type of Procurement	Open Access
Supply Period	01.11.2026 to 31.10.2027 or Twelve Months
Approximate Contracted Capacity	_____ MW
Estimated Yearly Energy Requirement	15,00,000 kWh
Delivery Point	The CAMPCO LTD , Camcpo Chocolate Factory, Puttur
State/Discom	Karnataka / MESCOM
Voltage Level	11kV
Contract Type	_____
Minimum/Maximum Scheduled Energy	As specified by the CAMPCO LTD
Applicable Taxes/Duties/Charges	To be specified separately

The above requirement is indicative and may be revised by the CAMPCO LTD depending upon

its actual consumption and regulatory permissions.

4. COMMERCIAL QUOTATION

The bidder shall submit its quotation as prescribed in quotation information sheet.

The bidder shall clearly indicate whether the quoted rate is **all-inclusive or exclusive of transmission, wheeling, cross-subsidy surcharge, additional surcharge, electricity duty, taxes, statutory levies, SLDC/RLDC charges and other applicable charges**.

5. ELIGIBILITY CRITERIA

The bidder shall:

1. Be a legally registered and authorised Power Generator/Power Trader/Electricity Supplier/Independent power producer, solar/wind developers.
2. Possess all licences, registrations and approvals required under applicable law.
3. Have valid registration/approval for undertaking Open Access power transactions, wherever applicable.
4. Have adequate experience in supplying electricity through the Open Access mechanism.
5. Have successfully undertaken similar power supply arrangements for industrial/commercial consumers past 24 months from 01.10.2024 onwards.
6. Not have been blacklisted/debarred by any Government Department, Electricity Regulatory Commission, Distribution Licensee or other competent authority.
7. Comply with all applicable electricity laws, regulations, orders and directions.

6. DOCUMENTS TO BE SUBMITTED

The bidder shall submit copies of:

- Certificate of Incorporation/Registration/Partnership Deeds.
- PAN and GST Registration Certificate.
- KYC documents of Authorised signatory/Partners/Proprietors/CEO
- Electricity trading licence/authorisation, wherever applicable.
- Details of generation source/source of power.
- Details of previous Open Access transactions.
- Details of existing consumers served under Open Access.
- Audited financial statements for the preceding three financial years.
- Details of statutory/regulatory approvals.
- Declaration regarding non-blacklisting/debarment.
- Authorisation of the person signing the quotation.
- Any other document requested by the CAMPCO LTD.

7. CONTRACT PERIOD

The proposed supply period shall be from 1.11.2026 **to** 31.10.2027.

The CAMPCO LTD reserves the right to extend or modify the supply period subject to mutual agreement and applicable regulatory provisions.

8. PAYMENT TERMS

Payment shall be made by the CAMPCO LTD against monthly invoices raised by the successful bidder, subject to verification of the actual energy supplied and applicable supporting documents.

The bidder shall clearly mention the proposed payment terms, credit period and any security deposit/payment security requirements in its quotation.

9. DEVIATION / SHORTFALL

The bidder shall ensure supply of the contracted quantum in accordance with the approved schedule.

Any shortfall, deviation, imbalance or other consequence attributable to the bidder shall be dealt with in accordance with the applicable regulations and the terms of the agreement entered into between the CAMPCO LTD and the successful bidder.

10. OPEN ACCESS APPROVALS

The successful bidder shall obtain all necessary Open Access approvals and shall coordinate with the concerned authorities for scheduling, energy accounting and settlement.

However, the responsibility for statutory/regulatory compliance shall be as specifically allocated in the final agreement.

11. SECURITY DEPOSIT / PERFORMANCE SECURITY

The successful bidder shall furnish **Performance Security/Security Deposit**, if required by the CAMPCO LTD, in the form and amount specified in the Letter of Award/Agreement.

12. PENALTY / LIQUIDATED DAMAGES

In the event of failure to supply the contracted power, failure to comply with the agreed schedule, or any other default attributable to the successful bidder, the CAMPCO LTD shall have the right to recover applicable additional costs, charges, losses and/or liquidated damages as specified in the final agreement.

13. VALIDITY OF QUOTATION

The quotation shall remain valid for a minimum period of **90 days** from the last date prescribed for submission of quotations.

14. RIGHT OF THE CAMPCO LTD

THE CAMPCO LTD reserves the right to:

- Accept or reject any quotation in whole or in part.
- Seek clarification from any bidder.
- Negotiate the quoted tariff and commercial terms.
- Cancel or modify the RFQ process without assigning any reason.
- Award the contract to one or more successful bidders, depending upon its requirement.
- Increase or decrease the quantum of electricity required, subject to applicable regulations and contractual terms.

No bidder shall have any claim against the CAMPCO LTD merely by submission of a quotation.

15. CONFIDENTIALITY

The bidder shall maintain confidentiality regarding all information, documents, consumption data and commercial information provided by the CAMPCO LTD and shall not disclose the same to any third party except where required by law or with the prior written consent of the CAMPCO LTD.

16. SUBMISSION OF QUOTATION

Tender to be submitted in a single sealed cover envelope containing **Envelop-I** (Covering Letter, supporting documents to meet eligibility criteria mentioned in Sl. No. 5).

Envelope-II (Techno-commercial documents) each one duly sealed separately.
